

Updated Morning Student Drop-Off Traffic Pattern at KHS

We appreciate your help in transitioning to the new drop-off traffic pattern for students at KHS this school year. Based on feedback, we hope to improve flow by opening the bus loop for student drop-off.

As of Monday, January 5th, we will be opening the bus lanes (teal arrow P) at **7:20 am** for student drop off. There are two lanes in this space, and we ask that students be dropped off in the lane closest to the building.

We also ask that cars pull up to the end of the YELLOW paint where one of our APs will be standing.

Students (S) will follow the dark blue traffic pattern in the image below, allowing them access to the parking lot. Staff (T) will also continue along the student path to get to the staff parking lot.

**** REMINDER: First bell rings at 7:40am. Students are expected to be in their classroom by the second bell at 7:45am. After 3 tardies per semester, tardy students will be assigned a 30 minute office detention; Seniors in this situation risk losing senior privileges. ****
